# Psychedelics, Art, and the Study of Consciousness

with Dr. Christopher Bache

Professor of Religious Studies and

author of *Dark Night, Early Dawn* and other books

- **Thursday, October 26<sup>th</sup>**
  - **7:00pm**
- **N022 Business College Complex**

In this presentation Dr. Bache will explore psychedelics and the study of consciousness in the art of both professional and amateur artists. We will see how they represent the visionary experience, the experience of death and rebirth, and the deep communion with the universe that follows ego-death.
